

March 12, 2021

Good evening RLA Elementary Families,
Just a few notes as we head into the weekend:

- the first two days of our spring conferences (afternoon) are scheduled for this week (Wednesday 3/17 & Thursday 3/18), therefore the school day will end at 1:40 on those two days
- specials classes will resume the week March 29th and will be asynchronous in the afternoons (as they were prior to the new year); participation will be optional
- class schedules will change slightly starting March 29th and will include a new universal lunch time of 12:00 – 12:30 for all

Lastly, it seems like our new mascot has already become quite popular within our RLA community... here's one of Mrs. Noonan's Fourth Graders with a version of R2TeachU that he constructed. Well done! 😊

Have an awesome weekend,
Steve
