..... Your tomorrow, today

Flexible Spending Account Reference Guide

The Flexible Spending Account, as designed by the IRS, offers three separate accounts. Your benefit plan may offer the healthcare, dependent daycare and/or limited accounts. Each account is designed to help you save 25-40% on merchandise and services you already buy.

How do These Plans Work?

Depending on which accounts you enrolled in, you will pay for specific expenses with tax-free money. You may pay for eligible expenses for you, your spouse, your children up to age 26 and your tax dependents.

With tax-free dollars, \$100 put into either account is \$100 you can spend. Without the FSA, you pay for expenses with what's left after taxes have been deducted from your pay. Instead of the \$100 you earned, you only have the spending power of \$60 to \$75.

Healthcare Flexible Spending Account

The Healthcare Flexible Spending Account may be used to pay for eligible expenses not paid for by your health insurance.

Dependent Daycare Flexible Spending Account

The Dependent Daycare Flexible Spending Account will help you pay for care of your children 12 years and under (up until the child's 13th birthday) or any dependent who cannot care for themselves while you are at work.

Limited Flexible Spending Account

If you are enrolled in a High Deductible Health Plan and eligible for a Health Savings Account, you may enroll in a Limited Flexible Spending Account during your open enrollment period. This account helps you save on vision and dental care expenses not covered by insurance.

Healthcare Flexible Spending Account

Use your Healthcare FSA to pay for expenses not covered by your medical, dental and vision insurance plan such as deductibles, co-payment amounts and eligible services and merchandise for which you have no coverage.

Use Your Account for Big Expenses

The tax-free money withheld from your check helps you pay for big expenses painlessly. Your entire healthcare account balance is available on the first day of your plan. You may use your plan like an interest-free loan for expenses such as glasses, contact lenses, dentures, orthodontia, oral surgery, or LASIK surgery.

Healthcare Expenses That are Not Eligible

The IRS does not allow us to pay claims for doctor's retainer fees (VIP fees), medical services before they are provided (such as your expected costs as shown on dental estimates) or cosmetic merchandise or procedures such as tummy-tucks or teeth-whitening.

Over-the-Counter Medications

Over-the-counter drugs and medicines such as ibuprofen, acetaminophen or cough syrup are eligible expenses with a prescription from your doctor. Chard Snyder will need a copy of the prescription to keep in our files for one year in order to pay claims for these items.

Example eligible healthcare expenses are listed in the column to the right.

Dependent Daycare Flexible Spending Account

Use your dependent daycare FSA to pay for daycare, preschool or senior care needed while you and your spouse work, go to school full time, or look for work.

Daycare for Children and Elders

The dependent daycare FSA can be used to pay for the care of your natural, adopted and foster children who have not reached their 13th birthday (12 years and under) and family members who cannot physically or mentally care for themselves. All dependents must live with you for more than half the year.

The IRS defines persons as physically or mentally not able to care for themselves if they cannot dress, clean, or feed themselves because of physical or mental problems. Also, persons who must have constant attention to prevent injuring themselves or others are considered not able to care for themselves.

If a dependent is over the age of 12, Chard Snyder will ask you to provide a letter of medical necessity describing the condition from which they suffer.

When Services May be Provided

Services must be provided while you and your spouse are at work, looking for work or attending classes as a full-time student. Services must be provided during the current plan year.

What Services May be Provided

Under the dependent daycare flexible spending account, payments made for care to your tax dependent under the age of 19, or your spouse, are not eligible expenses. The following are examples of eligible services.

- In-home babysitter
- Nursery school
- Daycare center
- Summer day camp
- Outside babysitter
- Elder custodial care
- Latchkey program
- Elder daycare

Dependent daycare dollars do not cover education for kindergartners or Montessori expenses. But, pre and post Montessori hours are eligible.

Remember, you must provide either your provider's business identification number or social security number for tax purposes. If services are provided in your home, see IRS Publication 503 for information about paying employment taxes as a household employer.

Maximum Annual Amount for the Plan

The maximum a household or single head of household may set aside is \$5,000. Married couples filing singly may each set aside up to \$2,500.

Contact Your Tax Advisor

You should contact your tax advisor to discuss how you might use this benefit with the child care tax credit.

Savings

Dependent Care Savings Examples

Annual Tax-free Contribution	\$3,000 (\$250 Monthly)	\$5,000 (\$416.33 Monthly)
Total Annual Savings	\$979.50	\$1,632.50

Savings will vary based on your tax bracket. Examples shown are calculated at 25% Federal and 7.65% Social Security tax savings.

Using Your Dependent Daycare FSA

Divorced Parents

The parent the child lives with most of the time may use the dependent daycare plan even if the other parent claims the child as a tax dependent and regardless of who the court has ordered to pay. If the dependent lives with both parents for the same amount of time per year, the parent with the highest adjusted gross income may use the plan.

Changing the Amount You Choose to Set Aside for Dependent Daycare

In some instances the IRS allows you to change the amount you put into the dependent daycare account:

- A dependent becomes eligible (example, becomes impaired)
- A dependent is no longer eligible (example, having their 13th birthday)
- You add dependents to your home (birth, adoption, marriage to a spouse with eligible dependents)
- You lose dependents (death, foster child returns to parent)
- You change to a different care provider that charges more or less
- You or your spouse change work or school hours, which changes the hours that care is needed
- You are divorced and your child moves in with the other parent

Your human resources office will need to approve any changes and may impose a deadline for submitting any paperwork they require. Remember, you may not choose an annual election amount that is less than the amount that you have already contributed to your account.

Claims

You may submit a claim and receive a check or direct deposit payment. You may pay with the Benefit Card. Either way you may only receive the amount of money that is in your account when you submit your claim. Example, you submit a claim for \$200 and you have a balance of \$160, you will receive payment of \$160. The remaining \$40 will be sent when more money is added to your account. You will need to watch the balance in your account carefully when using your Benefit Card to pay daycare expenses.

How Does Recurring Reimbursement Work?

1. Submit a claim form, signed by your provider, claiming the total amount you decided to set aside for the year
2. Money is deducted from each paycheck and added to your dependent daycare account
3. Payments in tax-free dollars are sent to you by Chard Snyder until the end of the plan year
4. You may not be reimbursed each time for more than the current balance in your account

Note:

- If you are not being paid for any reason (Leave of Absence, unpaid time off, etc.) then no reimbursement will be sent
- Your final payment for the year will be paid after the final payroll for the year is entered in our system
- If you have a Change in Status and change the amount taken from your paycheck, your reimbursement will change to match

Three Easy Ways to Pay

Tax-free money from your paycheck will be added to your dependent daycare account balance. The plan works like a checking account in that you can spend only up to the amount you have in your account at the time. You can pay your dependent care provider in one of these three ways:

- Use your Chard Snyder Benefit Card
- Send payment directly from your account by using your Chard Snyder online account
- Pay your provider and then submit a claim for reimbursement. You can submit a claim online through the Chard Snyder Portal, through the Chard Snyder Mobile app, or by paper claim and send to us by fax or mail. If you submit a claim that is for more than the balance in your account, you will be reimbursed for the amount you have in your account at the time; then the rest of your claim will automatically be paid when more money is added.

Limited Flexible Spending Account

You are not eligible for a Full Healthcare Flexible Spending Account if you are enrolled in a Health Savings Account, but you may enroll in a Limited Flexible Spending Account to maximize your savings.

Limited FSA - Save on Vision and Dental

The Limited Flexible Spending Account works almost the same as the full healthcare flexible spending account. Your spouse and dependents are also covered: the difference is that you may only spend your money on dental and vision expenses.

Claims are filed in the same manner as other Healthcare Flexible Spending Account claims. Pay with the Chard Snyder Benefit Card and you won't even have to file a claim.

You can use it like an interest-free loan from yourself. Spend up to your full annual amount and pay it back over the rest of the year. It's a great way to pay for large expenses.

The Benefit of Having a Limited FSA

The Limited Flexible Spending Account complements a Health Savings Account by allowing you to use funds from your Limited FSA for vision and dental expenses you may have normally paid from your HSA. This is a great way to save your HSA funds and allow that account to grow for retirement.

What is a Health Savings Account (HSA)?

An HSA allows you to put away money tax-free for medical expenses. The account stays with you and is available for medical expenses even after you retire.

To be eligible for an HSA, you must be enrolled in a High Deductible Health Plan that meets requirements set by the IRS. See the HSA Advantage™ enrollment brochure for requirements.

After you reach a certain balance in your HSA you may invest your savings for extra growth. Adding a Limited or Dependent Daycare FSA can help you reach your savings goals - and the money is always tax free.

Orthodontia Expenses

Orthodontia Claims are Handled Differently Than Other FSA Claims

Savings will vary. There are many parts to your orthodontia payment plan and each will affect your costs and savings: your orthodontia contract, dental insurance, negotiated savings, your tax bracket and more.

Here's How it Works

You negotiate your payment plan and send a copy of the signed contract to Chard Snyder. Pay using your Chard Snyder Benefits card. You may continue to pay across several years, based on your contract.

Orthodontia Contract Requirements

Your contract must meet these requirements:

- The document must be a written business agreement between you and the orthodontist
- The agreement must show:

The Chard Snyder Benefit Card

Swipe your Benefit Card at the cash register in stores and at doctors, dentists, orthodontists and optical providers. The card recognizes which items and services are eligible for your plan. Use it at some dependent daycare locations, too.

You Will Receive Two Cards in the Mail

Both cards will show your name. You may sign one and have your spouse or other family member sign the other. Whichever of you signs the card becomes the official user of that card.

Activating Your Card

Call the toll-free number on the activation sticker on the front of your card or visit our website to activate your cards. You can use both cards once the first card is activated – you do not need to activate each of them.

Keep Your Benefit Card From Year to Year

There is an expiration date shown on the front of your Benefit Card. Keep your card, even after you have emptied your account for the year. The card will show a balance again at the beginning of your next plan year. You can even skip a plan year and the card will work when you enroll again.

If Your Card is Lost or Stolen

Call Chard Snyder directly at 800-982-7715; use your Chard Snyder online account; or use the Chard Snyder mobile app to report a card lost or stolen as soon as you realize it is missing. We will cancel your current cards and issue replacement cards.

Don't Forget to Keep Your Receipts In a Safe Place

Save your receipts. You may be asked to provide proof that you purchased an eligible item or received an eligible service.

As of September 1, 2018, the Benny® prepaid benefit card was replaced by the Chard Snyder Benefit Card. The new Benefit Card works exactly the same as Benny. **The only difference is a new look.**

Note: If you already have Benny, it will be active until the expiration date. You will receive the new Chard Snyder Benefit Card shortly before Benny expires.

Using Your Chard Snyder Benefit Card

Use your Benefit Card in so many places and keep your cash in your pocket.

Using Your Chard Snyder Benefit Card at a Store

You can usually pay for eligible expenses with your Benefit Card and in most cases no follow-up will be required. You should keep your receipts handy, just in case. If you have a limited purpose FSA, your card may only be used for vision and dental expenses. To pay using the Benefit Card:

1. Swipe your Benefit Card at the checkout
2. If you have enough money in your account and you are purchasing eligible items, the amount of those purchases will be deducted automatically from your account
3. Save your receipts to verify that your expenses comply with IRS guidelines. Most eligible expenses are approved automatically but you may be asked for copies to verify some of your purchases. Your receipt must show the merchant name, service received or item purchased, date and amount of the expense

Using Your Chard Snyder Benefit Card at the Doctor, Dentist, Orthodontist or Optical Office

1. The charges provided at the time of service may not reflect any discounts negotiated by your insurance company. Use your card to pay for services after you receive an Explanation of Benefits (EOB) from your insurance company
2. Compare the EOB with your provider's invoice to confirm that you are paying the correct amount. Write your Benefit Card number in the space provided for a card payment on the invoice and send it back to your provider or pay your provider online or by phone
3. If your provider requires payment at the time of service, pay a minimum amount and the balance after you receive your EOB
4. Make sure you send in copies of your receipts or EOBs if you receive a letter from Chard Snyder requesting them. If requested receipts are not sent in, your Benefit Card could be suspended

Over-the-Counter Healthcare Items

- You may use your Benefit Card to purchase eligible over-the-counter items that are not considered a drug or a medicine, such as bandages, wrist supports, contact lens solution, etc. If your vendor's system is programmed to recognize eligible items, such purchases will usually not require further approval
- Over-the-counter drugs and medicines such as ibuprofen, acetaminophen or cough syrup are eligible expenses only with a prescription from your doctor. To use the Benefit Card for over-the-counter items, you must take your prescription to the pharmacist. Otherwise, you may submit a claim to Chard Snyder with the prescription and receipt showing what you paid

Add a PIN

You may use your card by providing a signature or through the use of a four-digit Personal Identification Number (PIN) at the point of sale.

The use of a PIN is not required to access your funds through the card. Even if you choose to add a PIN and forget it, you may choose Credit on the keypad and sign for the charge.

To use your optional PIN, choose Debit on the keypad and enter your PIN when requested.

**Call card holder services at
1-866-898-9795
to set up a PIN for
your Benefit Card**

Chard Snyder cannot change or provide a lost PIN number. You must call the phone number provided above for those services.

Using Your Chard Snyder Benefit Card (cont.)

Not all Card Swipes are the Same

Medical providers such as a doctor, dentist, hospital, or clinic do not always have systems that provide enough information to substantiate your expense. You may receive an email or letter from Chard Snyder asking for documentation such as itemized receipts or statements, or a copy of an Explanation of Benefits (EOB) from your insurance company.

Over-the-counter healthcare merchandise bar codes can be scanned by the mobile app to check eligibility. Use your card at pharmacies and stores that confirm eligible merchandise and services and you won't be asked for further proof. Purchases at other locations will require you to pay out-of-pocket and submit a claim form and documentation of the expense.

How to Verify or Repay Your Ineligible Expense

If you receive a letter or email from Chard Snyder asking for substantiation of your purchase, you must verify your expense was eligible or repay the cost to your plan. Here's how:

Verify the expense (Substantiate)

Take a picture of your itemized bill, EOB or receipt with your mobile device. Submit it through the app, upload it through the website, or attach it to an email, or...just fax or mail a paper copy to Chard Snyder.

Repay the expense (Use ONE of the following methods)

- Log in to your account and provide banking information
- Send Chard Snyder a check with a copy of the letter or request you received
- Send in valid claims to "pay back" your account by providing paperwork to verify **other** eligible expenses

If you don't verify the expense or repay the cost, the IRS requires us to stop the use of your card.

Even without the Benefit Card you can use your FSA. Just submit a claim for reimbursement. To do this, use the free mobile app (available through the Google Play Store or Apple's App Store); submit an online claim through your Chard Snyder online account; or mail or fax in a paper claim form.

Proof of Your Expense

All receipts, EOBs and bills must include the following:

- A date of service during the plan year
- The name of the person the expense was for
- The type of service or product purchased
- The provider's name
- The amount you must pay

The following may not be used to verify an expense:

- Canceled checks
- Handwritten receipts
- Your card transaction receipts
- Previous balance receipts

If you don't have a receipt, contact the provider or your insurance company and request a copy of the receipt or Explanation of Benefits from their files.

Did You Know? The IRS requires proof that your card was used for eligible expenses.

No Worries! Chard Snyder has the tools to help you **substantiate** your expenses (**provide proof**)

The Chard Snyder Benefit Card allows many items and services to be **AUTOMATICALLY** proven

The Chard Snyder Mobile App will **QUICKLY** provide **PROOF** (substantiate) that your transaction is eligible according to the IRS

If you lose your receipt, the service provider can usually provide an account history or replacement receipt.

Flexible Spending Account IRS Rules

- No matter how you use your FSA funds, the IRS requires proof your claim is for an eligible expense. You may be asked to send us a copy of your receipt, itemized statement, or Explanation of Benefits (EOB) as substantiation for your claim
- You cannot change your mind after you enroll unless you experience specific work/life events. (See "Changes to Your Plan?" on page 16)
- Money cannot be transferred from one plan to the other
- You must spend your money within your plan's filing deadlines
- Only eligible healthcare and daycare expenses can be reimbursed (no cosmetic healthcare expenses)

How to Find Important Dates for Your Plan

Important dates and rules for your plan are available when you log in to your account at www.chard-snyder.com. Go to the Accounts tab and click on the blue name of your plan. A screen will pop up showing you important information about your plan.

- **Plan Year** - These are the dates when your plan is active. The beginning date is the first date for this plan year that services or purchases will be eligible for payment
- **Final Service Date** - This is the last date for this plan year that you may purchase eligible services or merchandise
- **Final Filing Date** - The last day that you may submit claims for payment
- **Claim Summary** - This area shows the totals of all the claims you have submitted for the year, the amount of claims paid, the amount of claims that are pending, and the total of any that have been denied

What Happens at the End of the Plan Year

You will want to make sure you spend down your account before the plan year ends, but Flexible Spending Accounts can have features added to allow for time to use up leftover funds. Check your plan rules.

- **Runout Period** - All Flexible Spending Accounts have a runout period. This is the time between the last day of your plan year and the final date you may submit a claim. The runout period provides you with extra time to submit receipts or Explanation of Benefits forms for eligible services and merchandise that you purchased any time during the plan year and have not yet submitted. Remember claims not submitted by the end of the runout period will not be paid.
- **Grace Period** - Some plans offer a grace period which extends the time you have for spending your healthcare money. There is usually a short runout period at the end of the grace period (see above). If your plan offers the Benefit Card, call Chard Snyder customer service to find out the rules for the card during the grace period.
- **Carryover** - Some Flexible Spending Accounts offer the ability to carry over an amount of up to \$500 from last year's funds into the new plan year. This money becomes part of the balance in your plan and is used the same way as the money for the new plan year.

Contact Your Tax Advisor

Expenses you submit to your Flexible Spending Account may not be claimed as an expense on your tax return. For questions regarding the tax implications of your Flexible Spending Account, check with your tax advisor. Chard Snyder does not provide tax advice.

Flexible Spending Account Changes to Your Plan

Everyone's life changes now and then...when it does, make sure to change your FSA plan to fit your new situation.

Change the Amount You Set Aside For Your FSA

You may change the amount of money you decided to have deducted for your FSA in the case of life events such as:

- **You marry or divorce**
- **You adopt a child or have a baby**
- **There is a death in your immediate family or your adoption proceedings are not completed**
- **One of your dependents becomes over-age**
- **Your spouse gains or loses eligibility for a plan through their employer**
- **Your dependent daycare costs change**

You must notify your employer within 30 days of any of the changes listed above. Human Resources will help you complete any paperwork required to make your change. Federal regulations do not allow you to make changes for any other reason.

What Happens When You Leave Your Job or Become Ineligible for the Benefit?

If you leave your current place of employment or become ineligible for the plan, you may not continue to add money to the account, but you still may have a certain period of time to submit claims for services or items purchased before you became ineligible. Call Chard Snyder or ask your human resources department for the period of time allowed for these claims under your plan's rules. **Any money remaining in your account at the end of your runout period is lost.**

If you are eligible and choose to elect COBRA for your healthcare Flexible Spending Account, you will be required to continue to put the same amount of money in the account every month after tax as you put in before tax while you were still working for your former employer, plus an administrative fee. Using COBRA to continue a healthcare FSA can be a way to use the balance in your account for eligible expenses you incur following your termination.

What Happens During a Leave of Absence?

Sometimes we need to "take a break" from our jobs, because of our own or a family member's illness, because we've been called up for a tour of duty with the military, or some other reason. How it will affect your Flexible Spending Account depends on the reason and expected length of time for your leave of absence.

Contact your human resources department for information on leaves of absence.
