

March 19, 2021

Dear RLA Middle School families,

I hope that this finds you well and that you had a chance to enjoy this bright winter day. The reason for this communication is to make you aware that the district is offering your son/daughter a return to in-person instruction. This means that you can opt to send your child back to class in your home school, beginning on **Wednesday, April 7<sup>th</sup>**. This coincides with the first day of the fourth marking term. Please know that if you decide to have your child leave the RLA to return to in-person instruction, *this change will be for the remainder of the school year.*

If you'd like for your son/daughter to be eligible to return to in-person instruction, please contact me personally at [sdeangelo@fairfieldschools.org](mailto:sdeangelo@fairfieldschools.org). Please be sure to include your *child's name* in the correspondence, as well as whether or not your child will require *bus transportation*.

The deadline to inform me is noon on Friday, March 26th.

Parents of children who are confirmed for return will be contacted within the next two weeks by a staff member from their home school regarding teacher assignments and any specific details about the return.

Best regards,  
Steve DeAngelo, Principal
