

May 20, 2021

Dear RLA Families,

Thank you for all the support in helping your child to participate in Smarter Balanced Assessments. Outside of some make-ups, the testing will conclude on Monday & Tuesday with the Next Generation Science Standards assessment for Grade 5 and Grade 8 students. We hope you are as proud of the students for working so diligently as we are! 😊

On another note, we always want you to know that your voice matters! Our School Climate Survey for Parents/Guardian is open until **Friday, May 28 at 4:00 pm**. Please access the survey here: [Parent/Guardian Climate Survey 2020-2021](#). Thank you for taking the time to share your thoughts!

Please feel free to visit our website to listen to chapter readings of our “One School, One Book” Friendship According to Humphrey here:

<https://sites.google.com/view/rlaonebookoneschool/listen-along?authuser=0>

Who doesn't love a good book... you may even recognize some of the readers!

Lastly, tomorrow is Friday! In honor of the beautiful weather we've been enjoying, our Friday Fun Day theme for tomorrow will be... **Summery Tropical Hawaiian Luau Day!** So break out those sun hats, leis, flip flops and tropical attire for your child so they can join in the fun!

Kind regards,
Steve
